

The 3<sup>rd</sup> International Conference on Advanced Electromaterials

# ICAE 2015

November 17~20, 2015 ICC Jeju, Korea

## Important Dates

Abstract Submission Due : May 31, 2015

Notification of Acceptance : June 30, 2015

Pre-registration Due : August 31, 2015

Paper Submission Due : November 30, 2015

## Scope

1. Ferroelectrics, Piezoelectrics, and Dielectrics-Fundamentals to Applications
2. Oxide Electronics and Materials: Fundamentals and Advanced Applications
3. Thin Film Processing and Devices
4. Flexible/Printed Electronics: Materials and Devices
5. Nanostructured Materials for Energy Devices
6. Power Electronic Materials and Devices
7. Materials and Devices for Electric Energy Storage
8. Advanced Photovoltaic Materials and Devices
9. Advanced Materials and Devices for Fuel Cell Technologies
10. Superconducting and Magnetic and Functional Materials
11. Advanced eco-friendly Insulating Materials and CMD for High Voltage Power
12. Advances in Nitride Semiconductors: optoelectronics, technology fusion, and beyond
13. Application Technology for Advanced Electromaterials and Devices
14. Korea-China Joint Symposium on Ferroelectricity and Multiferroics

Organized by  The Korean Institute of Electrical and Electronic Materials Engineers

Sponsored by  Korea Tourism Organization  The Korean Federation of Science and Technology Societies
